Debraj Roy College(Autonomous) came into being in the wake of independence of the country in 1949. This premier institution of higher education may be regarded as the brain child of Ajoydhya Prasad Goswami, who was then a student leader, Sankar Ch. Baruah, a leader of the freedom movement, Golap Ch. Goswami, Dr. Promodaviram Das, Jadunath Saikia etc. The college was 'started' on 1st September, 1949. This was the first college in the district (then a sub-division of undivided Sivsagar district) and born out of necessity and out of the awareness infused by the national freedom movement. Till 1965 the college was affiliated to Gauhati University. In 1965, the Govt. of Assam by an act, brought the college under Dibrugarh University along with other leading College in Upper Assam districts. Now, it is a full-fledged degree college and offers students the facilities for studies in science and humanities. The present enrollment of the college is around 2700 (excluding private and casual students). The College celebrated the Silver Jubilee of its foundation in the year 1974 and Golden Jubilee in the year 1998-99. Fifty Three years of its relentless and dedicated service to the field of higher education was duly recognized by NAAC with B++ grade (institutional score 81%). The College celebrated the year 2009-10 as the Diamond Jubilee Year of its foundation. In March, 2010 UGC in Phase-III of XI Five Year Plan selected our College as College with Potential for Excellence (CPE). The College was selected as College with Potential for Excellence (CPE) for second term under 12th plan period of UGC in 2014, thus becoming the second college under affiliating university and now remains one of the only two premier colleges of Assam to achieve such recognition for CPE grant successfully. In January 2011, NAAC accredited the institution with A-Grade with an institutional score of 3.11 (CGPA) and again in 2023 with 'A' grade with a score of 3.05 (CGPA). The College is celebrating its Platinum Jubilee Year in 2024 and has been granted autonomous status recently on 24th of April, 2024.

Principal's Message

“Education is the most powerful weapon which you can use to change the world”

---Nelson Mandela

Since its inception, Debraj Roy College(Autonomous) has been imparting knowledge and education with a great missionary zeal for inculcating scientific temperament and progressive wisdom among learners and communities of the Golaghat region of Assam. The college was selected as “College with Potential for Excellence” (CPE)by the UGC for two successive terms, i.e., in 2010 and 2014 respectively under the 12th plan. NAAC had accredited the college with A grade in 2011 and recently, again reaccredited it with A grade in the year 2023.

Just in the month of April, this year in 2024, the college has been granted autonomous status by the UGC. We shall continue to show our commitment and adherence towards providing the best of the teaching-learning resources to students and learners. We hope to sustain the time- tested social ethics and academic practices of the college in the larger context of the legacy of higher educational institutions of the country. I also hope, the prospective students shall immensely benefit from the amiable environment of the college and strive to enhance the academic pursuits of the institution in the years to come.
