The coordinator explained the present status of preparation for accreditation and informed the assembly about the reasons for delay and actions on NAAC Peer Team reports & suggestions.

Specific enquiry was made regarding developments and collection of RUSA funded books in the library.

Resolution was adopted on grant of complete class exemption to the coordinator and Asst. Coordinator of IQAC to enable them to carry on the tasks of preparation of AQARs and SSR for NAAC submission.

It was decided that the existing library space shall be increased and more materials be added to the reference section along with digitalisation.
